

## 2009 West Virginia Brownfields Conference

---

*Waterfront Place Hotel  
Morganton, West Virginia*

**Tuesday September 1**  
**1:00 pm-2:30 pm**

**Title:**           **Site Selection**

**Description:** Understanding the site selection process developers use to identify suitable locations can help communities better position their projects to get noticed. The current down-turn in the economy may make this the perfect time to be repositioning properties for future development. This session will address on what factors impact the reuse of a site, the necessary tools for evaluating a site for redevelopment, and what developers are looking for in the current market.

**Moderator:** Todd Hooker
